## 4. APA Strike Cards

When you're cast or crew in a show, your responsibility doesn't end with the last performance. It ends with the striking of the set or putting away of the instruments and equipment after the last performance. You get to work as a team with your fellow APA students, and it's fun! All departments are required to strike as per their class, please still write down all shows you assisted striking for.

The minimum strike requirement is 2 strike signatures for each year in APA. Please attach your strike cards or fill out the Strike Card squares below and your instructor will verify and sign in the APA office.
