

ID with APA sticker must be present at the box office to receive ticket.

APA Sticker show tickets are only sold at the box office the day of the show, not in the APA office.

There is a student rush for each show an APA sticker is accepted.

Good for one (1) student ticket to each mainstage show in the auditorium!

An APA Sticker is a sticker placed on your students virtual or physical ID card by the APA office.

The APA sticker is valid for that student only.
