Huntington Beach, California 92648

Dear Ms. Robison,

Congratulations! We are pleased to inform you that the Arts Schools Network Board of Directors has designated the Huntington Beach Academy for the Performing Arts as a 2023-2028 Exemplary School. This five-year designation is presented to an Arts Schools Network member school that meets ASN's Principles of Exemplary Practice in strategically evaluating its purpose, operations, and educational programs.

As an Exemplary School designee, we will acknowledge your award and achievement at our annual conference awards ceremony. Our 2023 conference will be held in Birmingham, Alabama from October 24-26 this year. The awards ceremony will take place on Thursday, October 25th, at a special luncheon. Your school will also be honored this year through an ASN press release, on social media, on the ASN website, and through a regular eBlast in the coming months. An Exemplary School award will be presented at the conference, so you can proudly display your well-earned achievement. Each of the thirteen schools receiving the 2023 ASN Exemplary School designation receives *one* conference registration at the reduced rate of \$150. Please select the "Award Winner" rate during registration on our ASN website.

Attached please find a press release for distribution to your local media, an ASN Exemplary School logo for display on your school website, and an award certificate.

The Arts Schools Network Board of Directors takes great pleasure in recognizing your commitment to excellence and we look forward to celebrating your achievement this fall. Please feel free to contact us should you have any questions. Once again, congratulations!

Sincerely,

Kyle Wedberg
