We applaud everyone who auditioned or interviewed during this round of auditions. It's not easy; many students who don't make it the first time try again the following year and end up being accepted to APA. *Keep trying.*

APA has chosen to only post the names of the students accepted or called back. Letters will be sent home to *everyone* who auditioned or interviewed. If your name is on a call back list, please call the APA office to confirm that you would like to attend the call back audition. APA office phone: (714) 536-2514 ext. 51454.

An acceptance letter will be mailed to all newly-accepted APA students. This letter will include information on the APA New Parent Meeting (Tues, March 28th) and how to RSVP. Parent Paperwork Packets for accepted students will be available for pick up in the APA office from now until the New Parent Meeting. Paperwork is due by March 28th.
